LAYL Meeting at LAHS  
13Sept06, 12:40-1:15 pm  
Mr. Lathrop's room- E-12

**Attendees:** Craig Girrens, Sean Erickson, Elliott Marcille, Ben Havemann, Brenna O'Hara, Dia Obermeyer, Nat Gustafson, Corey Archuleta, Lori Heimdahl Gibson (Adult Leader) and John Hofmann (Adult Leader)

### **Announcements about Ropes Course:**

- Lori relayed information from Sharon Stover that Sean Hall wants to meet with everyone on Sunday evening, October 8<sup>th</sup> from about 7:00-9:00 PM at Fuller Lodge. This meeting is in preparation for the ropes course the next day, Monday, October 9<sup>th</sup>.
- Only three students, Ben, Grant, and Dia, turned in their signed permission slips for the ropes course. Ben volunteered to help himself and the others get their slips turned in to Mr. Stolpe ASAP. (Lori has the three that were turned in.)

### **Sullivan Parking Lot Project update:**

- Ben, Nat, Corey, and Craig took pictures of the parking lot and Elliott made a rough draft PowerPoint presentation, which we viewed. It is an excellent start, but needs some revision and editing before showing to the "powers-that-be." Great job, guys!
- Sean went to the Department of Public Works and confirmed that the lot is county property and the school uses it but has no authority. (Sean was a bit disappointed with the reception he received from the person at the county. He felt that he wasn't taken seriously.)
- Ben and Dia talked with the school authorities and also confirmed Sean's information.
- Craig had a rough draft for the petition to be distributed at LAHS. We made some revisions.
- **Next steps and goals before our next meeting:**
  1. Ben, Dia, and Brenna will make an announcement at LAHS by next Tuesday about the petition.
  2. Craig and Corey will make copies of the petition and everyone on the team will help to distribute it around the school with a focus on the A-Wing Lobby.
  3. A tentative goal is to get 25% of the student population to sign the petition.
  4. John Hofmann suggested contacting the Booster Club and other athletic groups. . . also, Johanna Gillespie of the LAPS Foundation to get their support.

### **LAHS Sign (from last year) update:**

Martha Waters was unable to make this meeting, so we will put the LAHS sign on hold until we can consult with her.

**A big thank you to the sponsors of LAYL for the pizza and pop for lunch!**

**Our next meeting is on Oct. 4<sup>th</sup>, same time, same place, similar food.**
