

RAVE TEAM MEETING

Wednesday, March 27, 2006

12:40 – 1:20

Room E12

Hi, Team,

This is your friendly reminder for our meeting at lunch on Wed. in room E12.

The agenda will focus on our final steps in getting the LAHS sign project planning completed.

I spoke with Mary McCleod, Assist. Superintendent, today. She was relaying information from Superintendent, Jim Anderson, about the sign. He said that it would be okay to have small, unobtrusive business logos of our sponsors, but they want to see a draft of the sign before it gets the final okay.

Mary McCleod also said that we DO have to get an okay from the county once we have the actual design, dimensions, etc. (Elliot and Nat)

We still need a cost estimate. Any word yet, Ben or Nat? Dia, Brenna, and Ashley, please keep Ms. Saccaro informed.

I will bring pizza, pop, and water on Wed. . . . looking forward to seeing you all!
