

RAVE

LAYL Meeting at LAHS
Tuesday, August 29, 12:40 – 1:15 p.m.
Speech Theatre

Attendees: Anna Bridge, Nik Allen, Larissa Fortson, Jeremy Kasik, Brittany Stokes, Jessica Stokes, Will Stolpe, and Sharon Stover

Campus Beautification Update:

Anna reported that she and Larissa met with Ms. Sacarro and school is in total support of the efforts. Ms. Sacarro suggested that we contract Holly Haas and Mrs. Fitzgibbon regarding their support and assistance with the projects identified.

Action:

- Anna/Larissa will contact Hass and Fitzgibbon and to discuss ideas and report back to the team.

School Spirit Update:

Again, school administration is extremely supportive of pep rallies, tailgate before game, and other activities. Regarding the idea to have students wear t-shirts for Homecoming, Anna reported on a couple of vendors, their costs, turnaround time, etc.

Action:

- Homecoming Spirit: Team members will be selling green t-shirts with yellow silk screen on Thursday/Friday; each class will have its own shirt. Larissa/Anna to select logo, but the logo on student's agenda may be the easiest. Shirts will also be available for parents and staff. Anna and Sharon to solicit vendor. It appears t-shirts will be sold for \$10 with profit going into the 'project fund.' Anna to secure permission from administration to sell shirts.
- Committee to generate other spirit ideas.

Other Updates:

Anna, who is also on the fundraising committee, reported that it may be difficult to do a bake sale now with the School Wellness Policy.

Action:

- Sharon to get a copy of policy as some team members were told that as long as healthy foods were provided, junk type food could be sold.
- Any type of activity requires Robert Abney's permission.

Rave Team Action:

- Next meeting will be held on **Tuesday, September 12, at 12:40 in the Speech Theatre**; pizza from Pizza Hut (cheese/pepperoni) will be brought in and beverages will be Dr. Pepper and Sprite.
- Ropes Course permission slips for **Monday, October 9**. Pick up from Will Stolpe week of September 5th and bring to next team meeting. Participants are to wear their t-shirts on the ropes course.
