

Hey, Team,

Our final planning meeting tomorrow during lunch will be in the Speech Theatre room. Please get there asap in order to get "all our ducks in a row" for the dedication of the **NEW LAHS SIGN** on Wednesday during lunch!!

If you have a speaking part, have a draft prepared BEFORE lunch. If you need help fine tuning, we will help you.

Be sure to note your time limit. These are all very short and to-the-point.

Wednesday's dedication is a big deal! Thank you all for making this sign a reality and doing your part to celebrate and properly thank our sponsor. . . .LANB and Bill Enloe.

See you tomorrow and we will work out all the kinks! Call if you have questions. Spread the word. Many thanks.

Lori
