

Building Community: Moving from Awareness to Trauma Informed Practice

**Are you interested in incorporating trauma informed practices into your work with children, youth, and families?
Join us for a series of learning and discussion opportunities.**

**Review Basic
Trauma Principles**

**Introduce Trauma
Informed Practices**

**Begin Building a
Community of Care**

Hosted by Los Alamos JJAB, LAPS and FSN,
this virtual gathering is an opportunity to learn more about the
nature of trauma, discuss effective ways for responding and
offering support, and connect with other youth service providers.

Session 1: Tuesday, February 23rd

Session 2: Tuesday, March 23rd

9:00 - 10:30 am

**Register for one or both - the 2nd session will
build on information presented in the 1st**
