

# One Circle

## Building a Culture of Support

### Middle School LGBTQ+

The group will focus on education about the LGBTQ+ community and identity. Topics covered will be the difference between gender expression and gender identity, pronouns, and participant suggestions. Resources will be provided that participants and their families can utilize after the group has ended to continue their learning and growth as a family unit. This is a safe place for any middle school youth who identifies within the LGBTQ+ community and allies.

**This group will meet virtually:  
Mondays 4:00-5:00pm  
January 25th-March 22nd**
